

What's going on in energy efficiency research?

A platform to enhance the transparency of energy research funding in Germany

- Easier access to information on energy research and to monitor trends
- Facilitates access to energy-related terminology

- Offers a better understanding of the funded energy research activities of other market participants
- Simpler identification of potential cooperation partners for new projects

- Improves internal operations/reporting
- Improves the answers to ad hoc requests
- Makes it easier to identify gaps/double funding
- Enhances publicly available information

- Assists in identifying former and recent research activities and state-of-the-art
- Aids accompanying research projects
