

# MAKE BUILDINGS POLICIES GREAT AGAIN! OUR VISION:

**Make sufficient service level explicit in business models!**

**Make intermediaries advise on sufficiency!**

**Make sufficiency measures part of renovation passports!**

**Include sufficiency in energy poverty definition!**

**Break more taboos, e.g. think about deconstruction strategies!**

**Make sufficiency an alternative to efficiency or renewables in programs!**

**Move people from Romania to Denmark! ???  
Better solutions wanted!**

MAKE BUILDINGS POLICIES GREAT AGAIN! OUR VISION:

**MAKE BUILDINGS POLICIES GREAT AGAIN 2.0**

*A lot to do till 2021!*

Make intermediaries advise on sufficiency!

Make sufficiency measures part of renovation passports!

Make sufficiency alternative to efficiency or renewables in programs!

Better wanted.

Break more taboos, e.g. think about deconstruction strategies!
